

Our Journey, God's Story

Luke 24:13-35

The Bible says we are living in an Epic Hero's Quest! And God is the hero!

God's Bigger Story:

God is overcoming the forces of evil to fully restore His blessings upon humanity and the earth and He is doing so through the re-establishment and expansion of His Kingdom.

God's Bigger Story unfolds over 5 Acts like a play:

3rd: Formation of Israel **4th:** Coming of Christ

2nd: Fall of Humanity

5th: Blessings thru the Church

1st: Creation of Universe

H.E.: Re-Creation of the Universe

What is Christ's Way of journeying with people like?

Recognition	Life	Productive	Hit	Journey	Journey	Its

Their Journey consisted of...

A couple of nobodies

On a journey home

With the Risen Christ

Listening to him explain

how he fulfills / completes / perfects every OT story!

There is always something missing, lacking, wrong in each OT story.

Where our journey ends
depends on who we
have been listening to

Worried. Wearied. Wounded. Wondering. (what just happened!?!)

Strangely warmed by Christ's words.

From the World's true condition to our own renewed condition

Through a listening relationship with Christ.

As Christ reveals Himself throughout the Scriptures. Suffering -> glory
