

## Our Journey, God's Story

### Exodus 19-20

The Bible says we are living in an Epic Hero's Quest! And God is the hero!

God's Quest is to fully restore His Kingdom here on earth. Happy Ending!!

We are all on journeys that are going to end up somewhere ultimately.

### What are the vast majority of people looking for?

#### A life of earthly happiness!

#### Common Attitudes

I want to find my life and my happiness  
on my own terms.

I believe there's more to life  
than what I've experienced.

I want to have a sense of meaning  
and purpose.

I'm open and interested in spiritual ideas.

I believe there is a God,  
but I'm not sure about Jesus Christ.

I have hurts and hang-ups  
that I'd like relief from.

I have questions and confusion  
that I'd like answers for.

### What's going on?

Original Sin leads to Spiritual Idolatry;

We instinctively take a good and make it into our god.

We then want "it" too much and even worship it too much!

We can come to believe that life is not worth living without 'IT.'

Nothing is safe in our lives  
Until it is second in our lives to God!
